

Board of Directors

Damien Tappy

Swiss (born 1969)

Member of the Human Resources and Compensation Committee since 2021

Member of the Finance and Audit Committee since 2018

Member of the Board of Directors since 2018

Key attributes for the Board:

With his medtech expertise, investor experience and entrepreneurial spirit, Damien Tappy adds considerable value to Medartis' Board of Directors. Holding more than two decades of Entrepreneurship and Private Equity experience, he is recognized for his expertise in creating, building, and exiting businesses in a number of sectors.

Career highlights:

Damien Tappy joined Medartis in 2018 as member of the Board of Directors and member of the Finance & Audit Committee. Since 2021, he additionally serves as a member of the Human Resources and Compensation Committee. His area of expertise is in Healthcare with a specific focus on Medical Technologies and Digital Health on both side of the Atlantic. He previously led most of Medical Technology and Digital Health investments at Endeavour and served, among others, as Director of Symetis (acquired by Boston Scientific), Chairman of Bitplane (acquired by Andor Technologies), Chairman of Genesystems (acquired by Pall Corp), and Director of Cirpack (acquired by Thomson). Damien Tappy was previously the founder and Director of the Start-up and Spin-off Program from the Swiss Federal Institute of Technology in Lausanne (EPFL). He is co-founder, President and Managing Partner of Endeavour Vision.

Qualifications:

Born in Reims, France, Damien Tappy holds a business education (MTE) from IMD, Lausanne, Switzerland. He graduated with honours as an Engineer in Micro-Technology at EPFL. He also worked as International Fellow in the field of Medical Imaging at the Stanford Research Institute in California (SRI International).

Other current activities:

In addition to his mandate at Medartis, he represents the interest of Endeavour Vision as Board member in the following companies: Endeavour Vision SA, CeQur, Polares. He also serves on the Board of L'Enfance, and Hôpital de la Tour, and is a member of the Foundation Council of Fondation du Domaine de Villette. He is also a member of the Young Presidents Organization (YPO), a global organization for Presidents and CEOs.
